

UNC-Chapel Hill **School of Government - *Community Development Academy***

March 12-14 and April 2-4, 2019

This six-day course covers the concepts, methods, and strategies of community economic development. The course provides community development practitioners with significant perspective and practical skills surrounding community development in North Carolina. In addition to School of Government faculty, participants will hear from state agency staff, federal grant administrators, nonprofit leaders, and other community development practitioners.

Program Topics:

- neighborhood and downtown revitalization
- community development finance
- affordable housing strategies and tools
- role of economic development
- CDBG and related grant programs
- environmental finance
- visioning and citizen participation
- tools for group decision-making
- purchasing and contracting
- measuring success

Faculty Coordinator: [Tyler Mulligan](#), Professor of Public Law and Government
