

2019 Task Force Goals:

1. Continuously learn from others and educate ourselves on key issues, gaps, and needs.
2. Conduct a critical review of current CAV-related activities and offer a path forward for the Charlotte Region, based on digging deeper on specific projects and issue areas.
3. **Execute a coordinated approach to how CAVs, integrated with related transportation and land use topics, moves forward among MPOs and other local government staff and leaders in their aspirational plans**
4. Collaborate with regional partners on implementation activities (prioritization, integration into specific planning processes, etc.) with CRAFT/MPOs taking the lead.
