

## **REGIONAL LAW ENFORCEMENT MUTUAL AID AGREEMENT**

This Regional Law Enforcement Mutual Aid Agreement made and entered into this 1<sup>st</sup> day of June 2021, by and between the law enforcement agencies listed in the attached "List of Participating Agencies" and any other agencies added to this Agreement by amendment ("Participating Agencies").

### **BASIS FOR AGREEMENT**

North Carolina General Statutes Sections 160A-288, 153A-212 and 90-95.2 allow and authorize mutual aid assistance and cooperation between law enforcement agencies. The Participating Agencies wish to provide temporary assistance to one another in enforcing the General Statutes of North Carolina and acknowledge that this Agreement mutually benefits each Participating Agency in the form of enhanced law enforcement capabilities and efficiency within the jurisdiction of each Agency.

### **AGREEMENT**

The Participating Agencies agree to the following terms and conditions:

#### **1. REQUESTING ASSISTANCE**

- a. REQUEST FOR ASSISTANCE.** Under North Carolina General Statutes Sections 160A-288 and 90-95.2 any Participating Agency may request of the other the temporary lending of personnel, equipment and supplies. Execution of this Agreement by each undersigned agency constitutes and is deemed to be a standing request for assistance and an agreement to lend assistance as personnel and equipment permit by each Participating Agency.
- b. WRITTEN REQUEST.** When temporary assistance is needed pursuant to this Agreement, the head of the Requesting Agency shall notify the head of the Assisting Agency of the need for such assistance and the requested assistance shall be provided if feasible to do so. Such request shall be made in writing whenever possible. Notification by the Division of Criminal Information (DCI) network shall be deemed written notification.

In accordance with North Carolina General Statutes Section 90-95.2(b1) requests for assistance shall be made by the head of an agency or an officer of the agency to whom the head of the agency has delegated that authority, but only one officer within the agency shall have the delegated authority at one time.

The following sample statement used as part of a DCI message would satisfy the statutory requirements for notification and may streamline the process:

The [REQUESTING AGENCY NAME] acting under the authority of [REQUESTING AGENCY DIRECTOR AND TITLE] is requesting mutual aid assistance from the [ASSISTING AGENCY NAME]. The [REQUESTING AGENCY] requests [RESOURCES] to assist at [LOCATION]. The duration of this aid shall be [TIME FRAME].

- c. **EMERGENCY REQUEST.** In an emergency situation, the notification of the need for emergency assistance need not be in writing, but a written notification shall be provided as soon thereafter as possible. In an emergency situation, the notification may be made by telephone or radio contact.

## 2. DUTIES OF REQUESTING AGENCY

- a. **OPERATIONAL COMMAND.** While operating with the Requesting Agency under this Agreement, a law enforcement officer of an Assisting Agency shall be subject to the lawful operational command of the officer supervising the division or unit to which he or she is temporarily assigned to provide assistance, and shall operate under the direct supervision of said officer.
- b. **REPORTING REQUIREMENTS.** The officer supervising the division or unit to which the Assisting Agency's officer(s) is temporarily assigned shall provide a report to the head of the Assisting Agency summarizing the hours worked and the assignments performed by the temporarily assigned officer(s).
- c. **EQUIPMENT.** The temporarily assigned officer(s) shall report to duty with the Requesting Agency with necessary equipment that has been issued by his or her own agency. The Requesting Agency shall supply the temporarily assigned officer with any additional money, equipment, supplies and/or support personnel reasonably necessary to perform his or her expected duties. If the Requesting Agency issues to temporarily assigned officer(s) any equipment that requires specialized training or certification, the Requesting Agency shall ascertain that the temporarily assigned officer(s) has undergone the necessary training or possesses the required certification.

## 3. DUTIES OF ASSISTING AGENCY

- a. **BENEFITS.** For personnel and administrative purposes, the temporarily assigned officer(s) shall remain under the authority and control of their own Agency, and shall be entitled to Worker's Compensation and other benefits to which he or she would normally be entitled were he or she not temporarily assigned.
- b. **DISCIPLINARY ACTIONS.** Disciplinary actions arising out of temporary assistance provided under this Agreement shall remain the responsibility of the Assisting Agency. The officer

in charge of the division or unit in which an officer is temporarily assigned pursuant to this Agreement may, at any time, relieve such officer of his or her duties and shall immediately forward a written statement setting forth the reason for such action to the head of the Assisting Agency or their designee.

#### **4. AUTHORITY OF ASSIGNED OFFICERS**

While temporarily assigned to the Requesting Agency, law enforcement officer(s) of the Assisting Agency shall have the same jurisdiction, powers, rights, authority, benefits and immunities as the regular officers of the Requesting Agency in addition to those associated with his or her regular employment. Nothing contained in this Agreement shall be construed as limiting or reducing any Participating Agency or officer's common law or statutory authority, including but not limited to the common law power of *posse comitatus* or the statutory authority conferred by North Carolina General Statute Section 15A-402.

#### **5. INSURANCE AND INDEMNITY**

- a. LIABILITY INSURANCE.** The head of each Participating Agency certifies by execution of this Agreement that all employees subject to this Agreement or reasonably expected to be subject to this Agreement, including assisting officers, are covered by liability insurance.
- b. INDEMNITY FOR ACTS OR OMISSIONS.** The Requesting Agency specifically covenants and agrees to assume liability for any act or omission which was committed by, or was the responsibility of, the temporarily assigned officer(s), except as otherwise provided for in this Agreement. The Requesting Agency further agrees to hold harmless and indemnify the Assisting Agency for any damages or costs, including attorney's fees, incurred by the Assisting Agency in this regard. The provisions of this paragraph regarding indemnity shall not apply to any Participating Agency whose officers are employees of the sovereign State of North Carolina and covered by the Tort Claims Act.
- c. INDEMNITY FOR PROPERTY DAMAGE.** The Requesting Agency agrees to hold harmless and indemnify the Assisting Agency for any damages or injury to the property of the Requesting Agency incurred in the course and scope of a temporarily assigned officer's duties. The Assisting Agency agrees to hold harmless the Requesting Agency for any damages or injury to the property of the Assisting Agency. The provisions of this paragraph regarding indemnity shall not apply to any Agency whose officers are employees of the sovereign State of North Carolina and covered by the Tort Claims Act.
- d. RIGHTS OF SUBROGATION.** This Agreement shall not, however, be construed as a bar to any other rights or claims, either direct or by way of subrogation, which either Agency shall have against any other entity, party or person.

This Agreement does not affect any other service or mutual aid agreement, previously entered into between two or more of the Participating Agencies for other services not contemplated by this Agreement, nor prevents the Participating Agencies from entering into other such agreements.

**8. GOVERNING BODY AUTHORIZATION**

The head of each Participating Agency certifies by execution of this Agreement that their duly elected governing body has adopted an appropriate resolution or ordinance authorizing said Agency head to enter into this Agreement pursuant to North Carolina General Statutes Sections 160A-288 and 90-95.2. ## **Contracts Policy**

**Purpose:** Establishes a policy and procedure for the execution, enforcement, and signatory authority for all contracts for Davidson College.

**Definitions:** A “College Contract” includes any agreement, promise to perform, lease, or contract that creates an obligation, right, or liability for Davidson College. This policy applies to the initial contract and to every amendment, renewal or extension of such a contract.

**Policy:** All College Contracts shall be in writing, and executed in accordance with the terms of this policy. All College Contracts must be approved or signed by an authorized legal representative of the College who has been delegated that authority. No individual should enter into a College Contract without following the administrative review procedures set forth in this policy.

### **Procedures:**

#### **Administrative Review of College Contracts**

The following steps must be taken by the person initiating the College Contract for signature:

1. Read the contract entirely, and determine that:
  - a. The contract language is clear and consistent and accurately reflects the current state of negotiations;
  - b. The contract meets the programmatic requirements and the mission of the College;
  - c. The business unit entering into the contract can ensure compliance with the obligations the contract places on the College;
  - d. The business unit entering into the contract has consulted with all divisions or departments affected by the contract, including divisions and departments that will need to provide support, facilities, or personnel to carry out the obligations of the contract;
  - e. Where applicable, funds have been identified to pay contract fees;
  - f. All parties to the contract have appropriate levels of insurance coverage;
  - g. The contract complies with applicable laws (including FERPA) and college policies, as well as sponsor, donor, or other restrictions, if applicable; and
  - h. The contract terms have been approved by the person with authority to sign the contract. See details in Authority to Sign Contracts Section.
2. Determine whether there is an existing College template for the obligations covered by the contract that should be used instead. Existing College templates include consulting contracts, employment contracts, contracts for private donations, performance or speaker contracts, facilities use agreements, and waivers.
3. Confirm that there are no conflicts of interest. See details in Related Policies section.

4. Determine whether the College Contract requires advance review by General Counsel, Chief Information Officer, Controller, or Director of Human Resources. See details in Advance Review of College Contracts section.

### **Advance Review of College Contracts**

1. College Contracts require **advance review by General Counsel** for any of the following reasons:
  - a. The contract amount exceeds \$250,000 or has a term of 5 years or longer, regardless of contract amount (but purchase orders in excess of \$250,000 do not require general counsel review);
  - b. The contract obligates the College to defend, indemnify, or hold harmless the other party (but College templates do not require general counsel review);
  - c. The contract seeks to limit the amounts or types of liability of the other party (but College templates do not require general counsel review);
  - d. The contract involves heightened risks or liabilities for the College;
  - e. The contract involves student or employee data; or
  - f. The person initiating the contract has questions about whether the contract complies with applicable laws and college policies.
2. College Contracts require **advance review by the Chief Information Officer** for any of the following reasons:
  - a. The contract relates primarily to technology (hardware, software, and/or SaaS applications); or
  - b. The contract requires ITS to provide technical support or other services.
3. College Contracts require **advance review by the Controller** for any of the following reasons:
  - a. The contract requires payment to a non-U.S. citizen or entity;
  - b. The contract is for a performer or speaker who resides outside of North Carolina and who is being paid for services; and
  - c. Donor agreements establishing a program in which the College makes payments to students (including, but not limited to, summer internship programs, research and travel grants).
4. College Contracts require **advance review by the Director of Human Resources** if they relate to:
  - a. Employment matters; or
  - b. Services provided by independent contractors.

### **Advance Review Procedures**

The first review of all contracts should be conducted by the person initiating the College Contract for signature. That individual should confirm the contract accurately reflects the current state of negotiations before submitting it for advance review.

Plan on at least two weeks for advance review. Turnaround may be shorter, workload permitting, but if a contract requires advance review by General Counsel, Chief Information Officer, Controller, and/or Director of Human Resources, it may take two weeks or possibly longer.

**Authority to Sign Contracts**

The Trustees of Davidson College have authorized the President to enter into contracts, subject to policy guidelines established by the Trustees and subject to the resolution adopted at a meeting held on April 12, 2002, authorizing certain officers of the college to enter into certain agreements, related to the purchase and sale of real estate and securities. No individual has authority to approve or sign College Contracts unless that individual has a valid delegation of authority from the President.

The authority to approve and enter into College Contracts is delegated by the President as follows. However, the President reserves the right to review each contract on a case by case basis. The authority to approve and enter into College Contracts may be delegated only as set forth below and any designation of authority should be made in writing.

**It is the responsibility of the authorized individual who executes the College Contract to confirm that the appropriate administrative review steps have been followed, including any required advance review of the contract.**
