

Public Assistance & Grants Portal Trainings

FEMA Public Assistance Training and Development will host webinars and in-person trainings for State, Local, and Tribal participants on the Public Assistance process, Grants Portal System, and starting the Grants process. Registration is required for in-person courses as space is limited for each course. Additional sessions will be offered at these locations in the coming weeks. Virtual training is provided via Zoom with no registration required.

TARGET AUDIENCE: STATE, LOCAL, and TRIBE

WEEK OF 11/18/2024 - 11/22/2024
